

BFAME One-Act Festival 2018 10th & 11th Feb Highbury Theatre Centre

What a fantastic festival we have had - the Guild give their sincere thanks to all at Highbury Theatre Centre for making them so welcome and going out of their way make the weekend run smoothly.

We have had a weekend absolutely packed with fun and drama. We were privileged to see some excellent plays, view some very talented young teenagers doing solo work and listen to the expert comments of the adjudicator.

The entertainment from Allen Merrell on the presentation evening was magical.

To view the full list of results of the weekend go to 'one act' the awards.

The winners of the Peripatetic Festival are under 'full-length'
